DECEMBER 2021

FROM THE TRAFINZ TEAM

ANDY FOSTER & THE TRAFINZ EXECUTIVE TEAM

As we say goodbye to what can only be described as a tumultuous 2021, I hope you have some time set aside to recharge and spend time with those who matter most to you.

The Trafinz board and organising committee would like to thank you for your patience and understanding while we've navigated the difficulties faced in planning and hosting an in-person event in 2020 and 2021.

I'm sure we are all looking forward to a more settled 2022.

Next September, NZ will host the 2022 Australasian Road Safety Conference in Christchurch and in 2023 we will at last meet in Auckland at the much awaited Trafinz Conference (more details to follow).

On behalf of the Trafinz Executive and team, I wish you, your whanau, and friends, the happiest and safest of holiday seasons. We hope you get a chance to enjoy the beauty of New Zealand over the Summer season and return in 2022 reenergised and ready for all that 2022 brings.

Best wishes
**Andy Foster and the Trafinz
Executive Team**

NEWS FROM TRAFINZ

WELCOME TO NEW EXECUTIVE

We are delighted to welcome Shane Ellison to the Trafinz Executive team:

Shane brings a wealth of knowledge & experience to the executive team with more than 20 years of global experience in senior leadership roles across the transport & infrastructure sectors.

Shane Ellison
Auckland Transport

To view a full list of the Executive visit the website [here](#).

NEXT NEWSLETTER

The next Trafinz newsletter will be released in February 2022. If you have any interesting items or things to contribute please let [Brian Hasell](#) know.

Material will be required by **22 January 2022**.

VIDEO FROM BOOPSIE MARAN COME WALK WITH ME

Experience the average 8am walking route for a student in Aotearoa

Join Nitya, a year 6 school student on her daily journey to primary school. With thanks to Boopsie Maran who created the video as part of her planned presentation at the Trafanz 2021 Conference.

Experience an Aotearoa - New Zealand city central school walking route. With over 750,000 students enrolled in schools across the country, how they get to and from school matters. In her tour she points out a few key areas ready for more attention. Now we are able to share this in depth perspective from the people that walk this way... everyday

Nitya has won a Good Citizen Award from the Waitemata Local Board... for all the effort she put into creating the walking tour
